Immaculate Conception Parish continues to grow! When we return a portion of our financial blessings to God through our regular offerings, we invest in His ministry and mission, thereby creating an opportunity for Him to work through us as disciples.

This Offertory Commitment card reflects your *intended* support for the operations - that is, the ministry and mission - of Immaculate Conception Parish for our next fiscal year. This is not just about salaries but, rather, the *necessary* budget to support the many and varied programs of a \$3.2MM parish and school. You can rest assured that our staff takes pride in being faithful stewards of the hard-earned dollars you share with IC via your offertory giving.

As in year's past, we ask that everyone return a commitment card, even if you can only make a limited financial commitment at this time. Please prayerfully consider how you can help us bring the Word of God to all those who desire to know Him. **Thank you for your support!**
