IMMACULATE
CONCEPTION
— GROWING THE CATHOLIC FAITH
— ONE SEED AT A TIME —

ANNUAL OFFERTORY COMMITMENT

The Lord calls us to be good and faithful stewards of the gifts He has bestowed upon us. An important element of stewardship is your charitable giving to our parish, Immaculate Conception.

Each year we ask you to make a financial commitment to support the mission and operations of Immaculate Conception Parish. This offertory commitment not only covers utilities, building maintenance, and staff salaries; but it also provides funding for our ministries, school and parish faith formation programs, and our parish mission of **“Leading people to Jesus through Worship, Community, Service, and Devotion to Mary.”**

Your offertory commitment reflects your planned support for our parish over the next fiscal year. As you pray and discern your level of financial commitment, we ask that you consider increasing your offering over the previous year. As Saint (Mother) Teresa of Calcutta said,

“Never be afraid of giving. There is a deep joy in giving since what we receive is much more than we give.”

MAKING AN OFFERTORY COMMITMENT

- 1. Find your household annual income on the chart below.
- 2. Determine what percentage you are currently giving to Immaculate Conception by matching up your current monthly offertory.
- 3. Prayerfully consider increasing your current percentage level up a percent or two.
- 4. Your goal of all your charitable giving should be to give 10% of your income, with the church being a top priority. Increasing a little each year will make this goal more attainable.
